Control systems
& topside panels

Balboa Water Group is a global supplier of control systems and equipment for the leisure water industry. With over two decades of dedication to innovative design and development, Balboa has a complete line of hot tub products from which to choose.

The comprehensive single source solution from Balboa Water Group means customers streamline operations, reduce inventory and supply chain costs and improve overall productivity. Whether our customers need, controls, heaters, water sanitization products, wireless remote devices, lighting, entertainment, therapy jets, white goods and fittings or diagnostic tools, we are their one stop shopping destination.

At Balboa Water Group, we combine pioneering product designs, state-of-the-art manufacturing and an unsurpassed reputation for reliability to bring better spa solutions to market.
