

A woman with blonde hair is relaxing in a bathtub filled with white foam. She has her eyes closed and a serene expression. Several lit tealight candles are placed around the edge of the tub, creating a warm and relaxing atmosphere. The background is a light-colored wall.

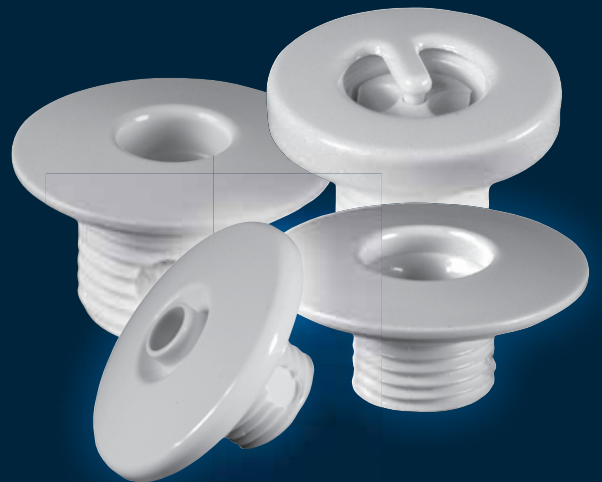

Bathe Luxuriously

JetSeries

Micro and Macro Jet Series

- Developed with European luxury in mind
- Smaller design complements any home whirlpool bath

The Micro and Macro Jet line

The Micro and Macro Jet line was designed with European comfort and luxury in mind. Made to enhance any bathing experience, these jets are sleek and sophisticated, adding a touch of class to your whirlpool bath. Our unique square shaped jet can add a modern touch, while the classic round jet conveys our traditional legacy.

Our Micro and Macro Jet ensures a luxurious experience of relaxation, knowing your tub will deliver a pleasurable bath time and time again.
